

Line::setNetwork

```
graph LR; A[Line::setNetwork] --> B[Line::network]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text "Line::setNetwork". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Line::network". Both boxes have a black border.

Line::network
